

Platform Ladders Order Picking

Product Images

Description

Picking ladders provide an ideal and safe workspace when working at heights. Picking ladders provide a small-elevated podium that is easy to manoeuvre and is designed with safety and strength in mind.

- Order Picking Platform Ladders are designed and tested to AS1892 – Metal Ladders with an Industrial rating of 150kg.

- Ladders supplied welded to Brisbane and surrounding areas, otherwise some assembly required.
- *Bulky Item. Shipping charges apply. Item shipped flat-packed. Minor assembly required.
