Description

Safety Step Stool - Height 410mm Base/Top Diameter 433mm/283mm 2.5kg

Lightweight and affordable solution for adding extra reach whilst cleaning, arranging items for better storage or trying to reach an overhead item in your workplace. Non-slip rubber base holds firmly to the floor preventing the step from sliding, rolling or tipping.

- Lightweight plastic with matt blue finish.
- Retractable castor wheels.
- Can safely support up to 150kg.
