

Bulldog™ Heavy Duty Bunding

Product Images

Description

Unlike other existing bunding alternatives, Bulldog™ Heavy Duty Bunding will not chip, rot, split or develop cracks. Suitable for spill containment around drum storage areas, wash down areas, car wash facilities, service stations etc.

Product Notes:

- Simple and quick to install with preformed anchor points, high visibility yellow.
- Manufactured from heavy-duty polyurethane.
- Bulldog™ Heavy Duty Bunding is built tough to withstand the rigours of both light and heavy machinery workshop traffic.
- 90-degree corner pieces to create fully bundled areas.
- Installation Kits come with primer, adhesive and caulking gun. (bolts not included)
- Bolts not included in Installation Kits - We recommend the [A4918 Hilti Anchor Bolts](#) for concrete applications.
- Modules not included in Installation Kits.
- A5207 Body 1000(L) x 150(W) x 25(H)mm 3kg. **(6 fixings per body)**
- A5208 Corner 150(W) x 25(H)mm .7kg. **(5 fixings per corner)**
