

Swab Pail Steel 6L 191mm dasher

Product Images

Description

Justrite's Swab Pail is great for sponging operations.

- Simply place swab on spring-loaded dasher plate, press down to wet and release to drain.
- Bail handle makes pail easy to carry.

- Perforated dasher keeps contents safe from ignition sources.
- Durable 24-gauge, lead-free coated steel construction stands up to repeated use.
- Hinged cover minimizes evaporation losses and spills.
- Does not include a parts basket.
- FM Approved & Compliant.
- External Dimensions: 238mm(Diameter) x 191mm(Height)
- Dasher Dimensions: 191mm
