

4 Sided Cone - Blank

Product Images

Description

These extra large cones clearly mark hazardous areas.

- Moulded plastic prevents cracks and chipping, even outdoors.
- The wide base adds stability.

- Cones stack for easy storage.
- Includes holes at the top to attach chains, tape or signage.
- Combine with a plastic chain to block off larger areas.
- Add the Iron base weight to get a massive 10 metres per cone extra coverage.
- Sign Height: 890mm
